1. Purpose. To implement the Military Accessions Vital to the National Interest (MAVNI) Pilot Program as authorized by references (a) and (b).

2. Background. The Secretary of Defense authorized the Services to begin recruiting certain legal, non-immigrant aliens with special language and associated cultural backgrounds to support present and future Special Operations Forces (SOF) Command Military Operations, and for which the Department concerned has a critical skill shortfall. The Department of the Navy will utilize this limited authority to recruit qualified persons with specific language and associated cultural backgrounds to fill special operations and special operations support billets.

3. Discussion. The recruitment and contracting of persons under this pilot program shall terminate at the end of December

14 Aug 2009

2009, contracted persons must access onto Active Duty no later than 31 December 09; there are no exceptions to this requirement. All Navy accessions will be contracted in the Linguist Professional Apprenticeship Career Track (L-PACT) program; however, up to ten qualified MAVNI accessions who meet program requirements may be reclassified with Special Warfare Operator (SO) training guarantees upon Navy Special Warfare Enlisted Community Manager (NSW ECM) approval.

4. Eligibility Requirements. Male and female applicants must meet all basic enlistment eligibility requirements in Volume II, Chapter 2 of reference (c) and the following selection criteria:

a. Education. Must be a High School Diploma Graduate or High School Graduate (Tier I or II). Applicants with foreign education credentials require a Region Education Service Specialist (ESS) education evaluation and verification.

b. Prior Service. Open to Prior and Non-Prior Service applicants. Applicants with any history of foreign military service must be approved by NAVCRUITCOM (N35).

c. Service Component. Open to Active Component applicants only.

d. ASVAB. Attain an Armed Forces Qualifying Test (AFQT) Score of 50 or higher. ASVAB tests will be administered at MEPS only. AFQT score waivers will be considered for otherwise highly qualified applicants based on the whole person concept.

e. Conduct. All MAVNI applicants must meet conduct requirements for entry into the SO rating.

f. Drug Use. Must meet drug abuse screening criteria for entry into the SO rating.

g. Dependency. Meet Active Component dependency requirement as stated in reference (c).

h. Residency Status.

(1) Must have a valid and unexpired visa issued by the United States Citizenship and Immigration Service (USCIS).

(2) To be enlistment eligible, visa must not expire before date of accession.

14 Aug 2009

(3) Visas issued to asylees, refugees, aliens admitted under temporary protected status, or for non-immigrant categories of E, F, H, I, J, K, L, M, O, P, Q, R, S, T, TC, TD, TN, U or V are acceptable for enlistment.

(4) Must have maintained residency in the United States in an eligible visa status for a minimum of three years prior to the date of contracting into the Delayed Entry Program (DEP).

(a) Must not have had any single absence from the United States of more than 90 days during the three year period prior to the date of DEP enlistment or accession.

(b) Applicants with five or more trips outside of the United States, of any duration, during the three-year period immediately preceding the date of DEP enlistment or accession require NAVCRUITCOM (N35) approval before processing.

(5) A USCIS Document Verification Request, Form G-845, must be processed through USCIS to verify applicant's current residency/visa status.

i. Background Screening. Applicants must complete the MAVNI Screening Questionnaire, enclosure (1), in their own hand writing. The MAVNI Screening Questionnaire, together with a full length, selection board quality, color photo must be sent to NAVCRUITCOM (N35) for review and approval prior to scheduling enlistment processing.

**Note:** The photograph shall be in color; display a full-length, three-quarter view of the member, left shoulder forward; have a plain, flat background to provide sufficient contrast to highlight details of the applicant; and be four inches in width and six inches in height.

j. Financial Screening. All MAVNI applicants must complete an Enlistee Financial Statement. Applicants with monthly debt exceeding 35 percent of their expected monthly base pay or are more than 60 days behind in payment for any debt account are ineligible.

k. Social Security Number. Applicants must have a valid Social Security Number (SSN) documented on a Social Security Card issued by the Social Security Administration (SSA) in their possession at the time of initial processing and accession. Social Security Cards issued for work purposes only are

acceptable. Contact NAVCRUITCOM (N35) for guidance concerning potential assistance available for applicants without SSNs.

l. Enlistment Name. MAVNI applicants must enlist with the name used on their USCIS Visa. The name on their Social Security Card must match the name listed on their visa.

m. Foreign Language Proficiency. MAVNI applicants must demonstrate language proficiency at the 2+/2+ level on the Oral Proficiency Interview (OPI) in one of the languages listed on enclosure (2). Waivers may be granted by the NSW ECM for applicants who demonstrate language proficiency at the 2/2 level. Contact NAVCRUITCOM (N35) for assistance with test coordination and scheduling of the OPI prior to scheduling the applicant for a telephonic pre-screen interview with the NSW ECM. Scheduling of a physical examination at the Military Entrance Processing Station (MEPS) is only authorized after the applicant passes the NSW ECM pre-screen requirement.

n. English Language Proficiency. Applicants must have the ability to read, speak, and understand the English language. Achieving a passing ASVAB score is not sufficient to validate the applicant's ability to read, speak, and understand the English language. Since fluency in English correlates highly with successful Navy job performance, applicants who have difficulty expressing themselves or otherwise understanding English will not be accepted for enlistment. The Recruiter-in-Charge (RinC) and Navy Enlisted Classifier must confirm the English capability of each applicant being processed for enlistment. During the course of the recruiting interview and application process, the RinC must assess the applicant's ability to read, write, and speak the English language well enough to complete recruit training. During the course of the classification interview, the Enlisted Classifier must also assess the applicant's capacity to communicate and comprehend the routine and crisis language situations encountered in the Navy. Applicants who are determined to lack English comprehension by MEPS personnel during testing or medical examination will be referred to the MEPS Commander for possible termination of processing per OPNAVINST 1100.4/Army Regulation 601-270, paragraph 3-16.

**Note:** Applicants determined to have difficulty with English fluency are to be referred to the NAVCRUITDIST CO or XO for further evaluation. Once it has been determined that the applicant does not meet English language fluency expectations, he/she should be informed that their enlistment processing will

14 Aug 2009

be terminated due to potential English language deficiencies and that they may request a reevaluation after a period of 90 days.

## 5. Processing Procedures

a. Legal, non-immigrant aliens possessing a valid USCIS issued visa, SSA issued SSN Card, and who claim to have native language skills for a language listed on enclosure (2) will be screened for enlistment eligibility per this instruction and Volume II, Chapter 2 of reference (c). Residency/visa status must be verified by a properly completed G-845 document processed by USCIS.

b. Enlistment processing documents will be completed per this instruction and reference (c).

c. Applicants must consent to applying for naturalization upon enlistment and acknowledge that failure to complete the naturalization process for any reason during the period of their initial active duty service commitment may result in their discharge from service. They may not be allowed to reenlist or extend their enlistment without providing proof of naturalization. Applicants must sign the MAVNI Program Enlistment Statement of Understanding, enclosure (3).

d. The following documents must be sent to NAVCRUITCOM (N35) prior to scheduling the MAVNI applicant for a MEPS physical examination:

- Exception to Policy (ETP) Form
- DD Form 1966, page 1
- Print out of SF-86
- Enlistee Financial Statement
- Signed MAVNI Program Enlistment SOU
- MAVNI Screening Questionnaire with photo
- Copy of Visa (both sides)
- Copy of USCIS Form I-94, Arrival/Departure Record
- Copy of G-845
- Copy of Social Security Card
- Copies of immigration documents provided by applicant (front and back)
- Signed consent form authorizing the release of Department of Homeland Security (DHS)/USCIS information, enclosure (4)

14 Aug 2009

(1) NAVCRUITCOM (N35) is the MAVNI program manager and is responsible for ensuring all legal, non-immigrant alien applicants are properly screened for enlistment eligibility, including the submission of Personnel Security Investigation (PSI) background checks. NAVCRUITCOM (N35) will:

- Contact DHS/USCIS to confirm applicant's status. DHS/USCIS response time nominally will be within three working days upon receipt of all required information.
- Render enlistment eligibility determinations based on the needs of the Navy and the competitiveness of the applicant for this limited accession program.
- Coordinate with NAVCRUITCOM (N3141) to schedule the applicant for an OPI. Response time goal will be five business days.
- Liaison with NSW ECM to provide recruiters authorization to schedule MAVNI applicants for a MEPS physical examination.

(2) MEPS Scheduling Procedures. After receiving NAVCRUITCOM (N35) approval, complete the USMEPCOM Form 680-3A-E with the following guidance:

(a) Insert "MAVNI APPLICANT" in the top margin of the form.

(b) Select item 5(e), "non-immigrant foreign national", and insert in item 5(f), "5555555555". This will place the applicant in an "N" status that can only be cleared by the Systematic Alien Verification for Entitlements (SAVE) document provided by NAVCRUITCOM (N35) after the DHS/USCIS status check is completed. For this reason, MAVNI applicants will not be scheduled to process at MEPS until the NAVCRUITDIST receives the SAVE document and approval to further process the applicant from NAVCRUITCOM (N35).

(3) The Navy Liaison Office will annotate "MAVNI applicant" on the Applicant Processing Log and provide MEPS with the OPI document containing the language proficiency scores. MEPS will place applicants without OPI scores in an "N" status and stop their processing after the physical examination.

(4) The NAVCRUITDIST will fax USMEPCOM Form 680-3A-E (must include physical data) to NAVCRUITCOM (N35) after the applicant completes the MEPS physical.

14 Aug 2009

(5) NAVCRUITCOM (N35) will issue an Exception to Policy Control Number (ETPCN) to document approval or disapproval of applicant's enlistment request upon receipt of USMEPCOM Form 680-3A-E and OPI scores from the requesting NAVCRUITDIST.

e. Classifiers must contact Personalized Recruitment for Immediate and Delayed Enlistment (PRIDE) branch, NAVCRUITCOM (N321), for assistance in making training and accession date reservations. NAVCRUITCOM (N321) will make the PRIDE reservation for the applicant. Region/District classifiers are prohibited from making PRIDE reservations for any MAVNI program applicant.

**Note:** Reclassifying a MAVNI DEP member is prohibited without authorization of NAVCRUITCOM (N35).

f. The Enlisted Processing Division Supervisor (EPDS) is responsible for ensuring a Counter-Intelligence Brief, enclosure (5), is conducted with each MAVNI applicant upon DEP enlistment. The signed Counter-Intelligence Brief will be included in the member's military record with a copy placed in the member's residual file.

g. Record of Military Processing, DD Form 1966, entries will be completed per Volume 3 of reference (c). The following guidance is provided to assist recruiting personnel in completing the DD Form 1966 that is unique to processing legal, non-immigrant aliens:

(1) Item 5, Citizenship. Mark Block "e" and specify country of origin.

(2) Item 13, Proficient in Foreign Language. Enter the language from enclosure (2) that the applicant is proficient in based on OPI results.

(3) Item 17, Block f, and Item 18, Block m, Program Enlisted For Code (PEFC). Enter "**FNLP**" when contracted in the Linguist Professional Apprenticeship Career Track (L-PACT) program. Enter the PEFC of "**FNSO**" if later reclassified into the SO rating.

**Note:** It is critical that the correct PEFC is recorded so the Navy enterprise can track and manage individuals enlisted under this program during their period of service.

14 Aug 2009

(4) Section VI, Remarks. Make the following entries:

(a) Residency status verification

**"Residency status verified by sighting (list type of visa)  
issued by USCIS on (date) with an expiration date of (date)"**

---

**Signature (EPDS)**

(b) English Proficiency

**"I affirm that the applicant, without further instruction, is  
able to read, write, and speak the English language well enough  
to complete recruit training."**

---

**Signature (RinC)**

**"I certify that the applicant, without further instruction, is  
able to read, write, and speak the English language well enough  
to complete recruit training."**

---

**Signature (Classifier)**

(c) MAVNI Program Manager Approval Control Number

**"Applicant approved for enlistment by NAVCRUITCOM (N35), Control  
Number: \_\_\_\_\_"**

h. Renouncing Foreign Citizenship. Applicants should be advised, once naturalized, they may be required to renounce their citizenship of the country of origin to be eligible for a security clearance.

i. DEP Discharges. All expected DEP discharges of MAVNI program DEP personnel must be reported to NAVCRUITCOM (N35) prior to cancelling the member's PRIDE reservation to ensure proper program management oversight and utilization of available resources.

j. Minimum DEP Period. MAVNI applicants are required to spend a minimum of 60 days in a DEP status to allow for a minimum period of time for their National Agency Check, Local Check and Credit Check (NACLAC) Personal Security Investigation (PSI) to be processed and adjudicated by Department of the Navy

Central Adjudication Facility (DONCAF). MAVNI DEPPers verified to have a DONCAF adjudicated NACLIC may be authorized to roll-up and ship prior to reaching 60 days in DEP with NAVCRUITCOM (N35) approval.

6. Term of Enlistment

a. All enlistees incur a minimum eight year Military Service Obligation (MSO). The MSO consists of a minimum of four years of active duty service for L-PACT enlistees with the remaining MSO commitment service in the Individual Ready Reserves (IRR). MAVNI enlistees who successfully complete the SO training pipeline will incur a six year Active Duty Service Obligation (ADSO). Members who successfully complete the naturalization process during their initial Active Duty service period may reenlist or extend their Active Duty service period per Navy policy. Enlistees who fail to complete the naturalization process may not be eligible to reenlist or extend their active duty period and may be separated at the end of their initial ADSO period.

b. MAVNI SO enlistees must obtain naturalization and a secret security clearance prior to entering Sea, Air, and Land (SEAL) Qualification Training (SQT), normally within 47 weeks after accession. Failure to complete the naturalization process or obtain a security clearance prior to the start of SQT may result in the member's disenrollment from SO training and separation from service or reclassification into a program they are eligible for and for which an opening exists (emphasis will be placed upon MAVNI support ratings and the needs of the Navy at that time).

7. Enlistment Incentives. Applicants are eligible for incentives based upon reference (c) and the naval message in effect at the time of enlistment. Members may also be eligible for foreign language proficiency pay during the period of active duty.

8. Pre-Accession Requirement

a. MAVNI DEPPers must obtain, complete, and have in their possession the following additional documents to ship to RTC:

- Application for naturalization, Form N-400 (original)
- Biographic Information, Form G-325B (original)
- Two color photos suitable for passport use

Forms N-400 and G-325B may be downloaded and printed from the following USCIS website: [www.USCIS.gov](http://www.USCIS.gov) (click on the Immigration Forms tab and scroll down to locate the forms link). Photos can be obtained from any source that provides passport photo services.

b. MAVNI DEPPers will be provided a copy of USCIS brochure M-599 "Naturalization Information for Military Personnel". This brochure is available at the following USCIS website: [www.uscis.gov/files/article/MilitaryBrochurev7.pdf](http://www.uscis.gov/files/article/MilitaryBrochurev7.pdf)

#### 9. Post Accession Processing Requirements

a. All recruits enlisted under this pilot program are required to file a petition for citizenship after completing a minimum of one day of Active Duty military service. No sooner than one day after arrival at RTC, or as soon as possible, MAVNI recruits will be referred to Naval Legal Service Office (NLSO) North Central, Great Lakes Detachment. The NLSO and RTC representatives will provide assistance in obtaining required fingerprints on Form FD-258 and completing the appropriate forms and application to be sent to the Nebraska USCIS Service Office. The NLSO and RTC will process the member's forms and application per references (d), (e), and (f).

b. The service member will be required to pass an English and a Civics test administered by USCIS to meet naturalization requirements. MAVNI Sailors should contact their local USCIS field office to obtain a copy of the "Quick Civics Lessons for the New Naturalization Test" booklet, USCIS M-638 (rev. 09/08) and access the USCIS website: [www.USCIS.gov](http://www.USCIS.gov) for current information regarding naturalization testing and processing requirements.

c. Once processing is completed, the service member must appear before USCIS for an interview and oath ceremony. The service member must appear before USCIS on the scheduled date for the oath of citizenship. Processing naturalization petitions for alien members of the Armed Forces should be complete within 180 days, but may take longer, depending on caseload, and circumstances of the individual case.

d. The service member is responsible for keeping USCIS informed of their current contact information while the petition for citizenship is being processed for the purpose of scheduling the USCIS interview and oath ceremony.

14 Aug 2009

10. Effective Date and Expiration. This policy is effective immediately. This pilot program expires on 31 December 2009, unless extended by proper authority. Additionally, no Enlistments under this program will be permitted after the date the President announces that the wartime expedited military naturalization statute (8 U.S.C. 1440) is no longer in effect.

11. Questions regarding this program may be referred to COMNAVCRUITCOM (N35), at (901)874-9465(DSN 882).

**MAVNI Program Enlistment Statement of Understanding**

YYMMDD: I understand that I am enlisting under a federal law that allows the Secretary of the Navy to authorize the enlistment of certain non-citizens of the United States (10 U.S.C. 504(b)(2)). I also understand I am enlisting during a period of time in which any alien who serves honorably as a member of the Selected Reserve of the Ready Reserve or in an active-duty status in the military, air, or naval forces of the United States may apply for United States citizenship (8 U.S.C. 1440).

\_\_\_\_\_ In exchange for being permitted to enlist in the Navy, I agree to apply for U.S. citizenship as soon as the Navy has certified my honorable service. I understand the Navy does not grant U.S. citizenship, and the Navy does not guarantee my application for U.S. citizenship will be approved. I understand that I must file my U.S. citizenship application with the Department of Homeland Security under the laws and regulations that govern such applications. I agree to inform my Commanding Officer if my application for U.S. citizenship is not approved.

\_\_\_\_\_ I understand if my application for U.S. citizenship is not approved, I may be discharged from the Navy. I further understand that if I am discharged prior to obtaining U.S. citizenship, I may face serious immigration consequences, including possible deportation or removal from the United States. If I am discharged on account of alienage or as a conscientious objector, I may also be barred from becoming a U.S. citizen (8 U.S.C. 1440).

\_\_\_\_\_ I understand that if I become a United States citizen based upon my military service, the Government of the United States may revoke my U.S. citizenship if I am separated from the Navy under less than honorable conditions unless I have served honorably for a period or periods aggregating a total of five years (8 U.S.C. 1440, 1451).

\_\_\_\_\_ I understand that I may lose my citizenship in my country of origin, or any other country to which I have a claim of citizenship, when I become a United States citizen. Even if my former country does not take away my citizenship, I may be required to renounce citizenship in that country in order to obtain a U.S. security clearance.

**Counter-Intelligence Brief**

YYMMDD: This briefing is to alert you to the possibility that you may become a target for intelligence gathering by agents of communist countries or countries whose interest are inimical (hostile) to the interest of the United States. Unfortunately, the governments of some countries may attempt to use relatives or friends as a means of forcing the American service member to divulge secrets. These governments may threaten your distant relatives or friends, or offer special privileges and favors in return for your money or information. Some of these governments may even attempt to gather intelligence by simply offering money or friendship to you.

Hopefully, you will never be approached by a foreign agent who is trying to obtain information or national secrets (for money) from you. But if you are ever contacted or hear of contact made to your friends or family by a representative of a communist or hostile government, the Navy requires you to report the incident to your Commanding Officer.
